Worst salesman ever, they bug the hell out of you until you die When they ask 'whats it going to take' tell them like I did and it worked, 'don't call me, and don't be high pressure, if I want your product I'll call you, keep calling me and I'm just going to get more pissed off'.. The training CD's are about the best I've ever seen on anything (seriously - they rival the Video Professor).. so I stop what I'm doing to take phone orders unfortunately, I also stop what I'm doing to find out that it's BobCAD again. Found results for Bobcad Cam V21 5 3 crack, serial & keygen Our results are updated in real-time and rated by our users.. I fell into the trap with V18 and have regretted it ever since My shop's sales come from phone calls.. I'm sure I've lost \$100s in productivity over the last 6 years or so from thier 'sales calls'.. Is it worth it?I have heard some not great things about it but not bad And at this price I dont think I can find any other cam packages that will do what it does..
